**DETAILED ACTION**

This Office action is in answer to the amendment filed 10/24/2003. Claims 1, 2, 4-21 are the original claims, claim 3 is amended, claims 22 and 23 are canceled, and claims 24-26 are added.

***Allowable Subject Matter***

1. Claims 1-21 and 24-26 are allowed.

With regard to claims 1-21 and 24-26: none of the references of record prior to applicant's filing date discloses, teaches, or suggests a circuit interrupter comprising, *inter alia*, a resistor, which is energized in response to a trip condition, the resistor having a body which burns open in response to a failure of separable contacts to trip open; and a second trip mechanism engaging the body of the resistor and cooperating with the operating mechanism to trip open the separable contacts in response to the body of the resistor burning open.

As noted herein, as well as disclosed in the specification, and as argued in the amendment, the advantage of the instant application lies in the fact that a second stage of protection is provided in the event that the first stage of protection fails.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Examiner Pia Tibbits whose telephone number is (703) 308-7305.
